## Mission complete, Atlantis and crew land on orbit 155

## Federal Women's Group seminar aims to help parents

▲ **Shuttle Update:** Space Shuttle Atlantis landed Monday, Memorial Day, at 2:20 a.m. EDT, returning from the International Space Station after 9 days, 20 hours and 9 minutes. The landing occurred on orbit 155, with Atlantis touching down on Runway 15. The crew traveled 4,076,241 miles during the mission. They remained at KSC until today, planning to depart for their homes in Houston this morning. Monday's landing marked the 14th nighttime landing in Shuttle history and the 22nd consecutive landing at KSC.

▲ **FWPWG Educational Seminar** -- Federal Women's Program Working Group is sponsoring an educational seminar on Thursday, June 1, from noon to 1 p.m. in the O&C Mission Briefing Room. This seminar will cover techniques to assist parents, grandparents, and significant adults in behavior modification strategies and practical ways to reinforce good behavior in children. This seminar is

taught by Hidden Potentials, Inc., a nonprofit organization dedicated to helping children reach their fullest potential through specialized tutoring. ***This seminar is on a first come, first served basis so please come early for a good seat!*** For more information please contact Lisa Sellers at 867-6210 or e-mail to [Lisa.Sellers-1@ksc.nasa.gov](mailto:Lisa.Sellers-1@ksc.nasa.gov).

◆ **Register for Summer Term at Barry University:** The Summer 2000 term begins July 10 at the Merritt Island location. Degree programs for Barry University that are offered locally include the master of science and bachelor of science in information technology, bachelor of science in professional administration, bachelor of professional studies, bachelor of liberal studies and a bachelor of public administration. Barry works with working adults offering an accelerated program running four, 10- week terms per year with classes scheduled in the evenings and weekends. Students can also earn up to 30 credits at the undergraduate level for work experience. For application, registration and schedule information, please call 453-6253 or e-mail [lgrant@mail.barry.edu](mailto:lgrant@mail.barry.edu). To learn more about Barry University in Brevard, visit the Web site at [www.barry.edu/ace](http://www.barry.edu/ace).

◆ **Did You Know?** Wayne M. Kee, Emergency Preparedness Planning Office, reminds employees to limit off-road driving in grassy areas, back roads, and areas that have high vegetation, due to KSC's extremely dry condition (Drought Index of 660). Vehicle exhaust systems are extremely hot, and combined with KSC's dry conditions, could ignite vegetation, resulting in a brush fire. Also, please remember that smoking materials tossed from a vehicle can easily ignite a fire.

**KSC Countdown is published every Tuesday & Thursday.**

**Deadlines: 10 a.m. the day before. Send information, comments or questions to:**
